Dear Mr. Hill:

On August 11, 2005, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Eagle Publications, Inc. ("Eagle") in Claremont, New Hampshire. The purpose of the inspection was to determine Eagle's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Eagle was issued Letter of Deficiency No. WMD 05-024 (the "LOD"). Based upon a review of Eagle's submittal received on November 23, 2005, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Eagle's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Robert Bishop or me at (603) 271-2942. Thank you for your cooperation.

Sincerely,
